

## Husqvarna DM 220

*Handheld electric core drill for both dry and wet drilling. DM 220 has a level guiding system with a LED indicator, making it a perfect choice when looking for a drill motor with precision and efficiency. The ergonomically designed handle with D-handle gives you good control while drilling. Handheld core drilling up to 4 in. or drilling with stand up to 6 in. Suitable for light applications such as ventilation, plumbing pipes, electrical sockets and cables. An excellent choice for professionals as well as less experienced users.*

### **360° ADJUSTABLE FRONT HANDLE**

For best ergonomic position

### **GUIDANCE FOR EXACT DRILLING**

An electronic positioning system shows when the machine is in a vertical, horizontal or preferred angled position.

### **OVERLOAD PROTECTION**

The machine uses pulsation to warn you of an approaching overload. If the load is not reduced the motor will shut off, to prevent overheating. Elgard™ increases productivity and extends product life.

### **DURABLE AND ERGONOMIC DESIGN**

Durable and shock-proof, designed to protect the electronics. Easy to carry and install thanks to low weight and ergonomic design.

## Features Husqvarna DM 220

- Easy to switch between dry and wet drilling
- Softstart™ lowers incoming current to reduce amperage when starting the motor.
- The machine uses pulsation to warn you of an approaching overload. This increases productivity and extends product life.
- Shows when the machine is in a vertical, horizontal or preferred angled position. This provides efficient drilling.
- Used with starting a hole, speed is reduced by half using the Smart Start® button, which reduces vibration.
- An electronic current limiter for soft starts with normal fuses. This gives you a smooth start with high productivity and reduces initial load on motor.

TECHNICAL SPECIFICATION	
Voltage	230/110V
Amperage	8/13A
Power	1850W
Phases	1
Output RPM at full load	580/1400/2900 rpm
Speeds	3
Spindle speed full load	580/1400/2900 rpm
Rated output, W	1850/0 W
Rated current, A	8/13 A
Max drill bit diameter, handheld	3 inch
Max drill bit diameter, stand	6 inch
Mounting collar	2.36"
Spindle thread, outer	1-1/4"
Spindle thread, inner	1/2"
Weight	16.5 lbs
Sound pressure	90 dB(A)
Sound level	94 dB(A)
Power rating	1100 W
