

LIMITED SINK WARRANTY

16 Gauge Limited Lifetime Warranty

18 Gauge Warranty for 10 Years

Artisan warrants to the original owner that they will provide an equivalent sink (excluding labor for reinstallation and transportation) to replace any Artisan Stainless Steel sink that becomes defective provided that the sink has been solely for residential use and has not been damaged due to abuse, misuse, or negligence.

To validate a warranty claim, the owner must be able to show that they are the original owner of our sink. Artisan has the right to inspect any sink reported to be defective prior to replacement of the sink. All decisions are final. Replacement of the sink does not include removal of the defective sink or installation of the replacement.

Artisan shall not be liable in case of:

- Improper installation or modification of an Artisan sink
- Damages resulting from abuse including dents resulting from impact of dropped objects
- Damages resulting from improper care or maintenance
- Normal use including scuffs or scratches
- Improper use (such as exposure to corrosive chemicals or cleaning compounds)
- Commercial use
