

Ultimate™

ADHESIVE REMOVER

KEY FEATURES

- Ready to use
- Removes cured adhesive
- Residue free

DESCRIPTION

Bostik's Ultimate™ Adhesive Remover is a readily biodegradable, low odor, water rinseable solution. Use Ultimate™ to remove wet and cured urethane adhesive from the surface of pre-finished (non-wax) wood flooring.

DIRECTIONS FOR USE

Bostik's Ultimate Adhesive Remover is available in a liquid formulation as well as pre-soaked, ready-to-use towels.

NOTE: To insure product satisfaction, always test a small area prior to application. Avoid contact with painted surfaces.

APPLICATION (LIQUID FORMULATION)

1. Apply remover to a dry, clean, non-abrasive cloth.
2. Using the dampened cloth, wipe area of the floor that has cured or wet adhesive.
3. If adhesive has cured for more than two days, apply a small amount of Ultimate Adhesive Remover directly on the adhesive and let it stand approximately 5 minutes.
4. Wipe area clean with a dry cloth.

NOTE: Do not allow remover to drip between floor boards.

APPLICATION (PRE-SOAKED TOWELS)

1. Open lid and pull out towels.
2. Rub area of the floor that has cured or wet adhesive using a pre-soaked towel.
3. If adhesive has cured for more than two days, lay a towel over cured adhesive and let it stand for approximately 5 minutes.
4. Wipe area clean with a fresh towel.

NOTE: Do not allow excess remover to drip between floor boards.

STORAGE/SHELF LIFE

Store Ultimate Adhesive Remover in a clean, dry area. Shelf life is one year from date of manufacturing.

PACKAGING

32 fl. oz. containers/12 per case

Tubs of 60 pre-wet towels/6 per case
